- \* Wear a helmet and protective clothing and use eye protection when operating the vehicle.

**READ THE OPERATOR'S MANUAL.**

**FOLLOW ALL INSTRUCTIONS AND WARNINGS.**

### WARNING

Engine exhaust contains chemical compounds that can contribute to the development of oncological diseases and impair human reproductive function. They can cause birth defects and health deterioration.

Never start the engine in enclosed or poorly ventilated areas!

### INTRODUCTION

Thank you for choosing and purchasing a vehicle manufactured by CFMOTO!

We are proud to present equipment for multipurpose use and active recreation. ATVs (quad bikes) can be successfully used both for recreation and entertainment, and as transport for patrol service personnel or hunters.

In order for the operation of the vehicle to be safe and enjoyable, please follow the instructions and guidelines in this manual. It outlines the minimum requirements, compliance with which will allow you to maintain the equipment in good condition. All information regarding the repair of CFMOTO equipment is contained in the instructions provided to the service centers of official dealers.

Our official dealers are specialists in CFMOTO products and are ready to satisfy all your claims and service your equipment in the best possible way.

The product is constantly being improved in design and quality, therefore the characteristics and descriptions given in this manual may slightly differ from the actual design of the vehicle you purchased. The data in this manual should only be used as reference information.

### - 1 - VEHICLE IDENTIFICATION NUMBERS

Write down the vehicle identification numbers from the indicated locations. Store the spare key in a safe place. A duplicate can be made from the sample key you have. If you lose both keys, you will need to replace the cylinder mechanisms of the ignition lock and anti-theft device with new ones with different keys.

- ATV Identification Number
