## VEHICLE PASSPORT NUMBERS

Record the vehicle passport numbers from the indicated locations. Store a spare key in a safe place. A duplicate can be made from your existing key. If you lose both keys, you will need to replace the cylinder mechanism of the ignition lock, luggage compartment lock, and anti-theft device lock with new ones, with different keys.

Access to the anti-theft device lock, which locks the steering column shaft, is from under the right front fender.

The luggage compartment is located at the rear of the ATV, under the cargo rack.
