

## CFMoto - CFMoto UTV CF500-3. Owner\_s Manual. Russian

### WARNING

The exhaust gases from a vehicle engine contain chemical compounds that can cause cancer, birth defects, or other reproductive harm.

### INTRODUCTION

Congratulations on your purchase of this all-terrain vehicle.

This owner's manual will provide you with a general understanding of the features and operation of your all-terrain vehicle. It contains safety information that explains the techniques and skills necessary for operating the vehicle. The manual also describes basic preventative maintenance and inspection procedures.

If you have any questions regarding the operation or maintenance of your all-terrain vehicle, please consult an authorized CFMOTO dealer.

Please read this manual carefully before operating the vehicle. Do not attempt to operate the vehicle without familiarizing yourself with its features and controls. Regular inspections and conscientious care, along with good operating techniques, will help you fully appreciate the capabilities and reliability of this vehicle.

### IMPORTANT INFORMATION CONTAINED IN THE MANUAL

FAILURE TO FOLLOW THE WARNINGS CONTAINED IN THIS OWNER'S MANUAL MAY RESULT IN SERIOUS INJURY OR DEATH. Particularly important information is accompanied by the following symbols in this manual:

This is the safety alert symbol. It is used to alert you to potential personal injury hazards. Obey all safety messages that follow this symbol to avoid possible injury or death.

WARNING A "WARNING" message accompanies the description of a hazardous situation that could result in death or serious injury.

CAUTION A "CAUTION" message accompanies special precautions that should be taken to avoid damage to the vehicle or other property.

TIP A "TIP" message accompanies key information that allows you to perform procedures easier and more accurately.

The product and its technical specifications are subject to change by the manufacturer without notice.
