7 Dear Customer,

We invite you to read this Manual before using your new Café Racer 1130.

It contains important information for safe use of the motorcycle and for maintaining its efficiency.

# BL Motorcycles Ltd

## Professional Workshop Manual - English Translation

Remember, however, that the CAFÉ RACER 1130 is a high-performance motorcycle that requires careful and skillful driving.

Refrain from pushing the motorcycle to its limits unless you are more than sure of your ability to manage the vehicle and, in any case, when traveling on public roads or roads open to the public, strictly respect the rules of the Highway Code.

Always remember to wear an approved helmet, of your size, and always correctly fastened.

We also advise you to always wear adequate protective clothing.

### 1 GENERAL INFORMATION GENERAL INFORMATION

To make the information of particular importance clearer and immediately readable, we have used the following symbols:

**Danger** Warns that there is a serious intrinsic danger that could lead to personal injury and even fatal accidents if the warnings provided are not followed.

**Warning** Warns that there is a danger that can cause personal injury and even fatal accidents if the warnings provided are not followed.

**Caution** Reminds you of a safety practice to follow or an unsafe activity to avoid if you don't want to risk personal injury or damage to the motorcycle.

Benelli Q.J. s.r.l. reserves the right to modify its products and this Manual at any time.

If you find any discrepancies between what is reported in the Manual and the specific configuration of your Motorcycle, do not hesitate to download the updated version of the Manual from the website [www.benelli.com](http://www.benelli.com).

### 1.1 SYMBOLS GENERAL INFORMATION

1. Chassis serial number

2. Engine serial number

3. Approval data

We recommend that you note the main data in the spaces below.

Chassis Number ZBN \_\_\_\_\_

Engine Number \_\_\_\_\_

Color Code \_\_\_\_\_

Key Number \_\_\_\_\_

### 1.2 IDENTIFICATION DATA

#### 2) engine serial number GENERAL INFORMATION

xxxxxxxxxxxx

xxxxxxxxxxxxxxxxxxxxxxxxxxxxxx

xxxxxxxxxxxx

1) chassis serial number

3) approval data

10) key identification number

Labels

Color code

Motorcycle Identification

The motorcycle is identified by the chassis serial number.

Key Identification

A key is provided in four copies to be used both for starting and for operating all locks.

Keep the spare copies in a safe place. Knowing the key identification number is essential if it is necessary to request a duplicate replacement key.

Color Combination Identification

The color code is essential for ordering body spare parts.

# BL Motorcycles Ltd

## *Professional Workshop Manual - English Translation*

This code can be read on the labels located under the seat.

Spare parts order

To order spare parts, in addition to the chassis serial number, it may be necessary to indicate the engine serial number, the color code and the key identification number.

### 1.2 IDENTIFICATION DATA
